Headband 2

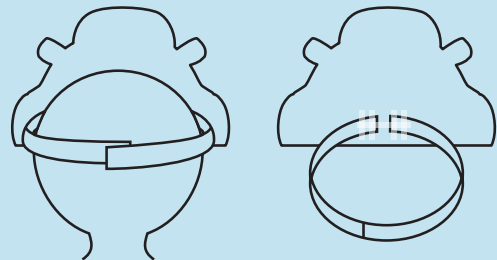

How to make your
Pedal Push hat.

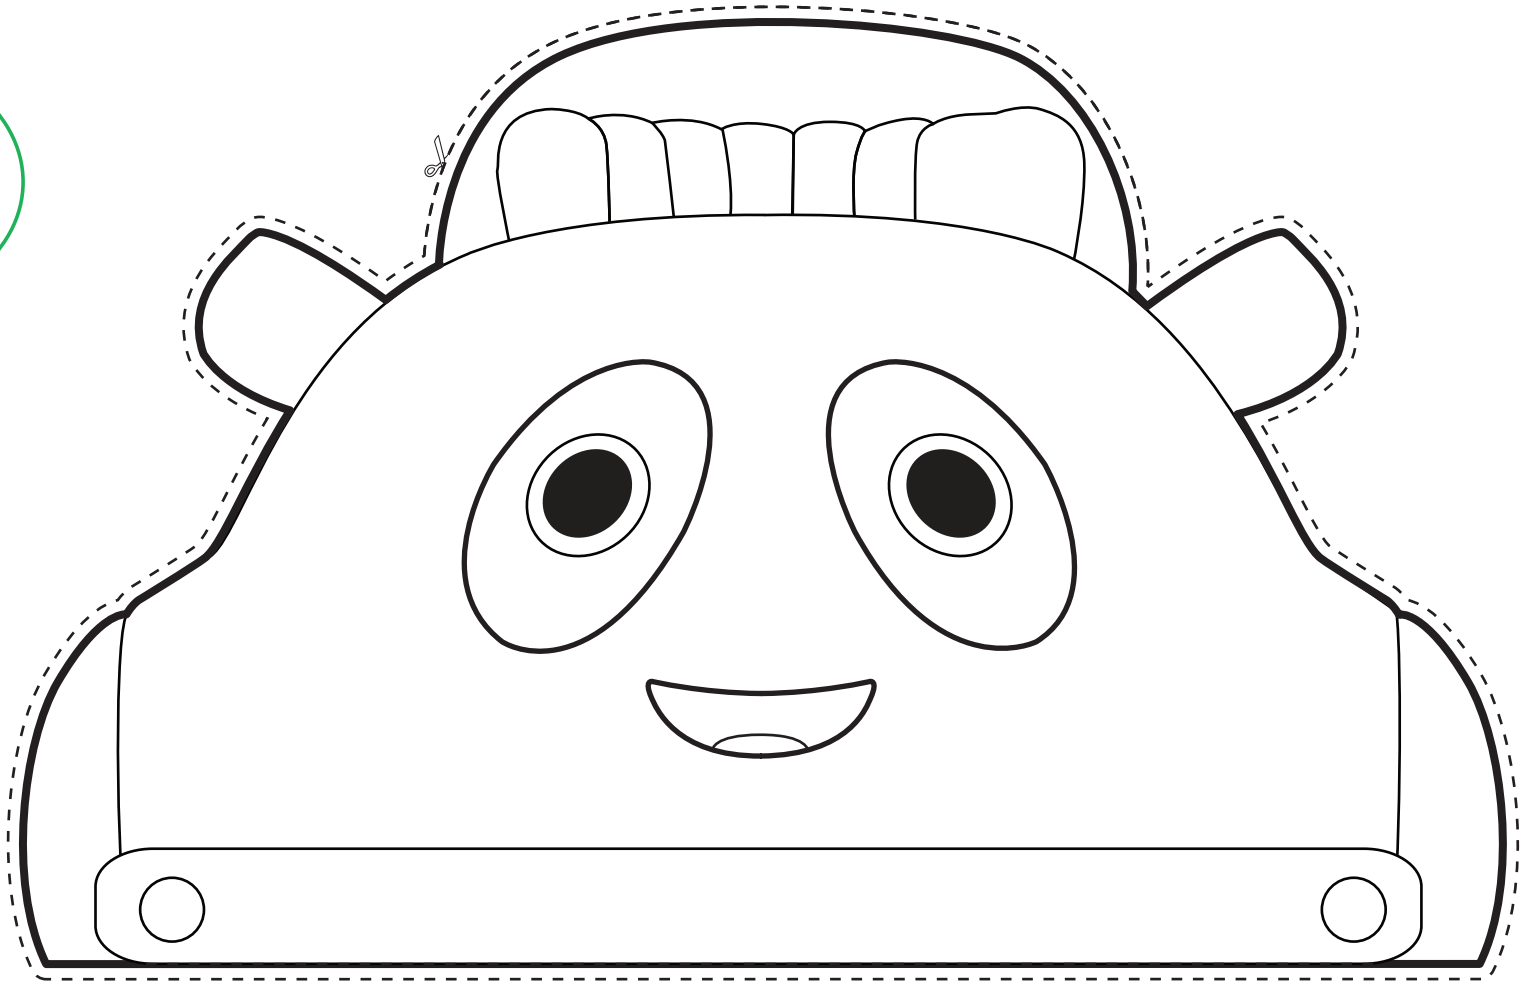

1. Print this sheet onto some thin card so there are enough hats for all the Pedal Push pals in your nursery.
2. Get all the children to colour in Benny.
3. Cut along the dotted line.

4. Cut headband 1 and 2 off the top of the sheet and attach to the back of Benny's face.

5. Size onto child's head and mark.
6. Trim the excess headband and tape into position.
