**EVERY CHILDHOOD IS WORTH FIGHTING FOR**

## You can give children a lifeline

With more lockdown measures and stay at home guidance this year, children have been isolated from many of the services and people they would normally turn to for support. But Childline's keyworker counsellors and supervisors have been here every day, offering children a lifeline.

During the coronavirus pandemic, we've seen an increase in email contacts to Childline. This year, we're launching a virtual base with a team of 300 counsellors who will work from home. They'll answer around 1,000 emails a week, helping and supporting children through the uncertainties which lie ahead. This also frees up counsellors in the counselling room to answer children's calls and chats.

## When a young person needs help, it's vital that we're here to listen

It's only thanks to supporters like you that this work is possible. By playing the Spring Raffle today, you could help give children a voice when they have nowhere else to turn.

## Enter the Spring Raffle today for the chance to win £10,000!

We've all been dreaming of our next big holiday once we're allowed to travel again. Winning big in the Spring Raffle could make those dreams come true.

**The first prize is your choice of £10,000 or a once-in-a-lifetime holiday – what better way to celebrate with your loved ones when we have more freedom.**

Thank you for your support and good luck!
