## What sort of things will I do?

- Take part in training to develop lots of important skills like campaigning, public speaking and more.

## I've never been on an advisory board before. Can I still apply?

Don't worry, you don't need to have any previous experience of being on an advisory board, or with the NSPCC. There will be lots of fun training sessions to learn new things and develop your confidence. We're here to support you through every step of your journey.
