How to use Gift Aid

- Gift Aid allows charities to claim the basic rate of tax on every pound donated. That's an extra 25p per pound!
- Ask every tax-paying donor to write their full details and tick the Gift Aid box to increase their donation at no extra cost. They must do this in their own handwriting so we can claim Gift Aid.

Paying in your donations

- You can pay in any cash donations to your own bank account first, and then either donate this onto your fundraising page, or send us a cheque in the post.

To be able to claim Gift Aid, we need you to either email or post your form to us.

- You can scan or take a photo of your form and email it to us at **Christmas@nspcc.org.uk**. Or you can post it to **NSPCC, Weston House, 42 Curtain Road, London EC2A 3NH**.

EVERY CHILDHOOD IS WORTH FIGHTING FOR

* I have read this statement and have ticked the box headed 'Gift Aid' as confirmation that I am a UK Income Tax and/or Capital Gains tax payer. I want the NSPCC to reclaim tax on the donation detailed, given on the date shown. I understand that if I pay less Income Tax and/or Capital Gains tax in the current tax year than the amount of Gift Aid claimed on all of my donations it is my responsibility to pay any difference. I understand NSPCC charity will reclaim 25p of tax on every £1 that I have given. We will only use the details that you have provided for the purposes of administering your donation and for claiming Gift Aid. If you would like to know about more ways to support the fight for every childhood, please contact our Supporter Care team on **020 7825 2505** or **supportercare@nspcc.org.uk**
