

Celebrate the Coronation of His Majesty the King with the NSPCC

Whether you host your own street party or dress up day, have some fun while raising money to help keep children safe.

Street party

Break out the bunting and hold a street party celebration with friends, family or neighbours. Ask for donations in return for refreshments and games.

Bake sale

Hold a good old fashioned bake sale and use the cake toppers we've provided to give it that Coronation feel.

Best in show

Host your own Coronation dessert competition and crown your own winner. Entrants donate to submit their pudding and tasters donate to sample the tasty treats.

Dress up

Hold a Coronation themed dress up day. Donate £1 to dress like royalty and come to work or school dressed as kings, queens, princes, and princesses.

Crown competition

Host a crown competition and ask participants to design a Coronation crown to mark the occasion. Entrants donate £1 to enter.
