

# Celebrate the Platinum Jubilee with the NSPCC

Whether you host your own street party or dress up day, have some fun while raising money to help keep children safe.

## Street party

Break out the bunting and hold a street party celebration with friends, family or neighbours. Ask for donations in return for refreshments and games.

## Celebrate 70 years

The Queen is the first British monarch to celebrate 70 years on the throne. Why not challenge yourself to do 70 of something and get sponsored to complete the challenge?

## Bake sale

Hold a good old fashioned bake sale and use the cake toppers we've provided to give it that Platinum Jubilee feel.

## Best in show

Host your own Jubilee dessert competition and crown your own winner. Entrants donate to submit their pudding and tasters donate to sample the tasty treats.

## Dress up

Hold a Jubilee themed dress up day. Donate £1 to dress like royalty and come to work or school dressed as kings, queens, princes, and princesses.

## Crown competition

Host a crown competition and ask participants to design a Jubilee crown to mark the occasion. Entrants donate £1 to enter.
