FOR HALLOWEEN

# How will you Go Green?

Whether you wear it, bake it, sell it or make it – go green for Halloween.

## QUIZ FRIGHT NIGHT

Organise a quiz night with special green-themed and Halloween rounds. Simply ask people for a suggested donation, and organise some prizes to bring out their competitive side. Download our quiz at [nspcc.org.uk/gogreen](http://nspcc.org.uk/gogreen)

## GET YOUR SPOOK ON

Make a donation to dress up in ghoulish green for the day. Think witches, dinosaurs, Robin Hood or Frankenstein's monster – just make it green!

## FRIGHTFUL CHALLENGE

Daring enough to dye your hair green? Brave enough to get slimed? Ask people to sponsor you for facing up to a chilling challenge.

## EAT YOUR GREENS

Halloween cakes, snacks and drinks – set up a spooky stall in your office or canteen and sell your terrifically tasty treats for a suggested donation.

## FACE PAINTING

Set up a face painting stall for a suggested donation and get spooky! Think bats, cats and all things Halloween (and green, of course)
