

WHAT IS KINDNESS?

Whether you're playing a game with a new friend or helping someone with homework, kindness helps create a better world.

Kindness can help you:

- Feel good about yourself
- Learn new things
- Be a great friend

Asking someone how they're feeling, sharing something you enjoy, thinking about what other people want and need and saying thank you are all great ways to be kind. Think about what kindness means to you and have fun doing these activities.
