

BUILD-A-BOT

Materials Needed:

- Printed Bot body parts sheet for each player (provided)
- Bot Builder sheet for each player (provided)
- Scissors
- Glue
- Dice

GAME 1: SUBITISING

Be the first to build a complete Bot and shout **'BOT'**. You build your Bot by rolling the dice and finding the right body parts.

Setup:

1. Split into groups of two.
2. Print and cut out the numbered Bot body parts.
3. Arrange the body parts so you can see them.

How to Play:

1. Roll the dice.
2. Identify the number on the dice.
3. Find the matching body part from the sheet.
4. Stick the body part onto your Bot Builder sheet.
5. The first to complete their Monster Bot wins!

GAME 2: MAKING 6

Be the first to build a complete Bot and shout **'BOT'**. You build your Bot by rolling the dice, working out the missing number and finding the right body parts.

Setup:

1. Split into groups of two.
2. Print and cut out the Bot body parts.
3. Arrange the body parts so you can see them.

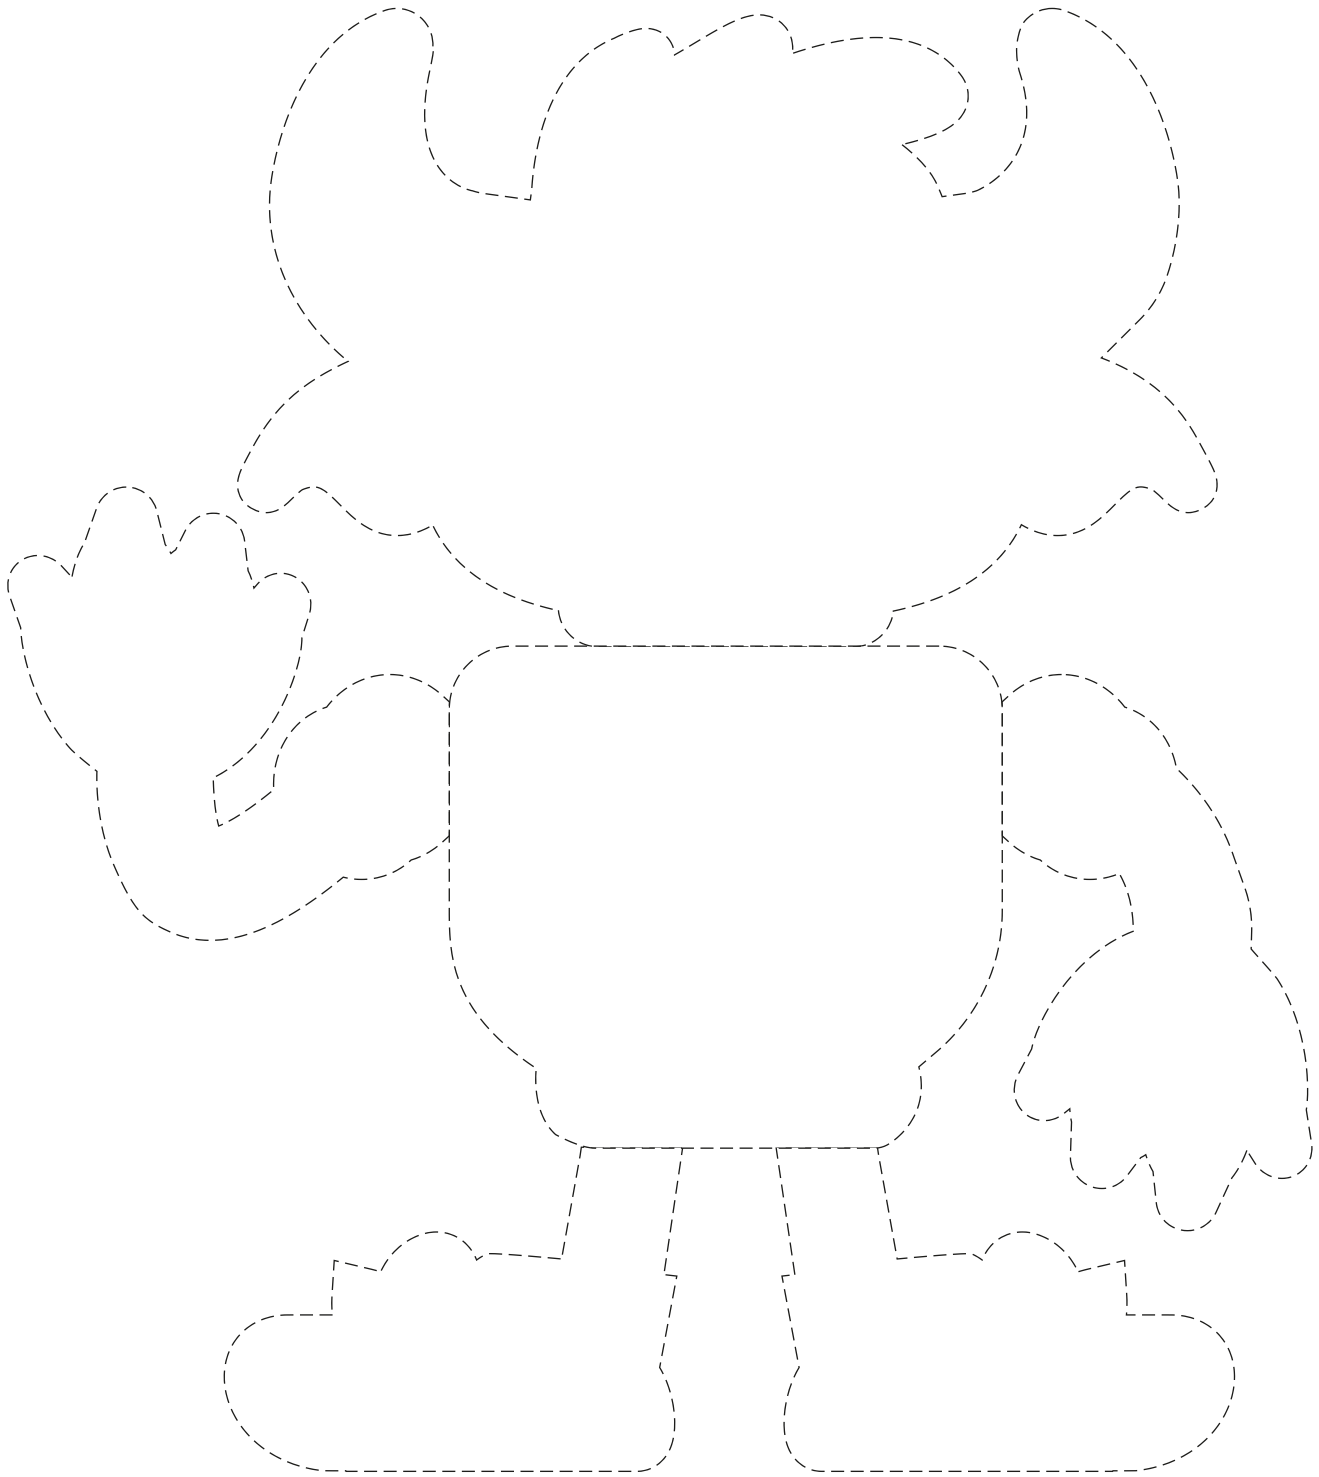

How to Play:

1. Each player must roll a 6 to begin building your bot.
2. Once you have rolled a 6, roll the dice and find the missing number on your bot part sheet to complete the number bond to 6.
3. The first to complete their Monster Bot wins!
