Buddy's 10 petal flower

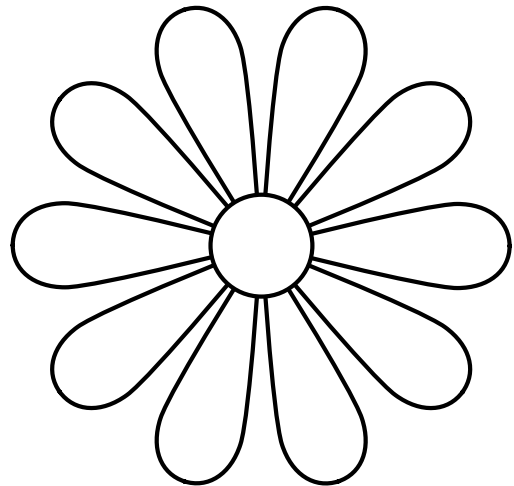

To be used with Buddy's Flower Patch activity. To be used for times tables.

Outer petals

Inner petals

How to use this template:

1. Decorate your flowers
2. Carefully cut around the petals
3. Put a small amount of glue on the centre of one flower and carefully stick the other flower on top – lining up the petals
4. Try using a stick from the park or a lolly stick for the stem
