#### Supporting the community to change childhoods

**Our resources and guidance** help coaches, sports clubs and community groups in South East England keep children safe

We've worked with communities in South East England to help more parents **talk PANTS and keep children safe**

#### Face-to-face support for families

**Helping children recover from abuse** and working with families to prevent abuse

In 2019/20 we worked directly with **179 children and families** at our service centre in Gillingham

**We gather evidence and share the learning** so other organisations can help more children in communities like yours

#### Taking action to protect children

Our helpline responded to almost **69,000 contacts** last year from people with concerns about a child's welfare

**We made 5,262 referrals** from our helpline to local agencies like the police and children's services
