With your help, over the next 3 years, we can **visit all 447 schools** in South Yorkshire

Giving children a voice

On average, a child somewhere in the UK contacts Childline **every 25 seconds**

In 2019/20 our Childline volunteers delivered almost **240,000 counselling sessions** to children and young people

We estimate around **4,900** of these children lived in South Yorkshire

Supporting the community to change childhoods

We're working with **O2** to keep children safe online via our Net Aware tool and online safety advice helpline

Our **resources and guidance** help coaches, sports clubs and community groups in South Yorkshire keep children safe

We've worked with communities in South Yorkshire to help more parents **talk PANTS and keep children safe**

Face-to-face support for families

Helping children **recover from abuse** and working with families to prevent abuse

In 2019/20 we worked directly with **159 children and families** at our service centre in Sheffield

We **gather evidence and share the learning** so other organisations can help more children in communities like yours

Taking action to protect children

Our helpline responded to almost **69,000 contacts** last year from people with concerns about a child's welfare

We made **1,040 referrals** from our helpline to local agencies like the police and children's services

We can only keep doing this with your support. **Join us at [nspcc.org.uk](https://www.nspcc.org.uk)**
