We estimate around **2,600** of these children lived in Suffolk

Supporting the community to change childhoods

We're working with **O2** to keep children safe online via our Net Aware tool and online safety advice helpline

Our **resources and guidance** help coaches, sports clubs and community groups in Suffolk keep children safe

We've worked with communities in Suffolk to help more parents **talk PANTS and keep children safe**

Face-to-face support for families

Helping children **recover from abuse** and working with families to prevent abuse

Services like **Letting the Future In** help children rebuild their lives

We **gather evidence and share the learning** so other organisations can help more children in communities like yours

Taking action to protect children

Our helpline responded to almost **69,000 contacts** last year from people with concerns about a child's welfare

We made **528 referrals** from our helpline to local agencies like the police and children's services

We can only keep doing this with your support. **Join us at nspcc.org.uk**
