Giving children a voice

We estimate around **22,700** of these children lived in the East of England

Supporting the community to change childhoods

Our resources and guidance help coaches, sports clubs and community groups in the East of England keep children safe

We've worked with communities in the East of England to help more parents **talk PANTS and keep children safe**

Face-to-face support for families

In 2019/20 we worked directly with **201 children and families** at our service centre in Peterborough

We gather evidence and share the learning so other organisations can help more children in communities like yours

We made 4,167 referrals from our helpline to local agencies like the police and children's services
