### What we are doing to help

#### Visiting schools

In 2019/20, our *Speak out. Stay safe.* volunteers and staff visited **1,150 schools** and spoke to **272,296 children**

With your help, over the next 3 years, we can **visit all 3840 schools** in the Midlands

#### Giving children a voice

On average, a child somewhere in the UK contacts Childline **every 25 seconds**

In 2019/20 our Childline volunteers delivered almost **240,000 counselling sessions** to children and young people

We estimate around **37,500** of these children lived in the Midlands

#### Supporting the community to change childhoods

**We're working with O2** to keep children safe online via our Net Aware tool and online safety advice helpline

**Our resources and guidance** help coaches, sports clubs and community groups in the Midlands keep children safe

We've worked with communities in the Midlands to help more parents **talk PANTS and keep children safe**

#### Face-to-face support for families

**Helping children recover from abuse** and working with families to prevent abuse

In 2019/20 we worked directly with **323 children and families** at our service centres in Coventry, Nottingham and Stoke

**We gather evidence and share the learning** so other organisations can help more children in communities like yours

#### Taking action to protect children

Our helpline responded to almost **69,000 contacts** last year from people with concerns about a child's welfare

**We made 7,747 referrals** from our helpline to local agencies like the police and children's services

We can only keep doing this with your support. **Join us at [nspcc.org.uk](https://www.nspcc.org.uk)**
