

NSPCC

Be your hero this childhood day!

How to get involved:

1

Pick your hero

This Childhood Day, be a hero, just for one day! Pick your hero, or favourite childhood character, and plan your outfit.

2

Choose your fundraising target

Create your fundraising page and choose a target. Those getting involved can make a suggested donation of £4 to help achieve your target.

Or, collect donations at work and pay in your fundraising the usual way. Check if your company can fund match or top up your donation.

3

Spread the word far and wide!

Whether you shout it from the rooftops, send it in an email or announce it in a team meeting, think about the best way to spread the word.

On the day, don't forget to share your photos on social media using the hashtag **#ChildhoodDay**

£4

could answer a child's call to Childline when they need us.

When you set up your JustGiving page, select the 'Taking part in an event' option and choose 'Childhood Day'.
