Do something spooktacular

Frightfully good ideas to raise money for children.

Pumpkin carving contest

A chance to get creative. In this game competitors enter their spooky designs by giving a little donation, with part of the total going to the winner.

Apple bobbing

Fill a basin with water and apples, then take suggested donations from people who want a go at bobbing. Who knows, the quickest bobber could even win a prize!

Monster movie night

Get ready to hide behind your pillow. On this night you and your guests could watch a selection of your favourite horror films, served up with popcorn and marshmallow eyeballs.

Fangtastic fancy dress

What would you go as? A ghost? A vampire? No problem. For a just a small donation, you and your friends or colleagues could become a kooky cast of scary characters.
