### Instructions

- Use the strip on the second page to cut out two headband pieces and stick the two ends together to form a long strip. Measure your Bingster's head for fit and then stick the two remaining ends together.
- Now, time to cut out and decorate your ears any way you like! You may wish to stick them on some card first, a cereal box will work well.
- Allow time for any glue, glitter or paint you may have used to dry.
- Stick the decorated ears on to the headband in desired position and then...

**show us your ears!**

*Please use caution and your own good judgement about which steps your Bingster can safely be involved in.*
